 (Amended #71-04-20-04)

Town Ordinance for Property Tax Relief for Certain Elderly and/or Totally Disabled Homeowners

1.) Purpose

The purpose of this ordinance is to assist elderly or disabled homeowners with their real property taxes. Pursuant to Section 12-129n of the Connecticut General Statutes, the town grants a tax credit for eligible residents of the town on the terms and conditions hereinafter provided.

2.) Effective Date of Tax Credit

The tax credit shall commence with the taxes due on the Grand List of October 1, 2016 and yearly thereafter until this Ordinance shall be repealed or modified by action of the Town Council. All tax credits granted under this Ordinance shall be subject to the availability of funding by the Town Council.

3.) Eligibility

A.) Any person who owns real property in the Town of Prospect or is liable for the payment of taxes thereon under Connecticut General Statutes 12-48 and who occupies that property as his or her principal residence or held in trust for and occupied by such residents as their principal residence, shall be eligible for real property tax relief pursuant to Connecticut General Statutes 12-129n in the form of a tax credit, provided that all the following conditions 1-4 below are met:

1.) Applicant is:

A.) Sixty five (65) years of age or over at the close of the calendar year preceding the period in which a claim for relief is filed;

Or whose spouse living with him or her is sixty five (65) years of age or over at the close of the calendar year preceding the period in which the claim for relief is filed;

Or applicant is sixty (60) years of age or over and the surviving spouse of a taxpayer qualified in Prospect under this Ordinance at the time of applicant's death;

Or with respect to real property on which such applicant or his or her spouse is liable for taxes under Connecticut General Statutes 12-48

Or Applicant under age sixty five (65) years of age and eligible in accordance with applicable federal regulations to receive permanent total disability benefits under Social Security;

Or have not been engaged in employment covered by Social Security and accordingly has not qualified for benefits thereunder but has become qualified for permanent total disability benefits under any federal, state, or local government retirement disability plan, including the Railroad Retirement Act and any government-related teacher's retirement plan, in which requirements with respect to qualifications for such permanent total disability benefits are comparable to such requirements under Social Security;

2.) The applicant and/or his or her spouse under Sec.3 (a) (1) above must have been a tax payer of the Town of Prospect for one (1) year immediately preceding their receipt for tax benefits under this Ordinance and meet the requirements with respect to maximum income allowance during the calendar year preceding the year in which the application is made for the tax credit provided in this Ordinance;

3.) The applicant and/or his or her spouse must own and occupy the real property in the Town of Prospect for which this tax credit is claimed as their principal residence. Principal residence shall be defined as residency of at least six months and one day in each Grand List year for which the exemption is claimed;

4.) The applicant's qualifying income must not exceed 1.5 times the requirement as set forth in the Connecticut General Statute's 12-129b and 12-170aa.

4.) Applications

In Order to be eligible for this tax credit, all applicants must submit an application on a form approved by the Town Council together with all required supporting documents, including all financial information necessary to confirm eligibility.

5.) Income Limits

Income eligibility limits for participation in the tax credit provided for by this ordinance shall be 1.5 times those limits set forth for eligibility under Connecticut General Statutes 12-129b and 12-170aa and regulations promulgated thereunder, as such may be amended from time to time.

6.) Amount of Relief

1.) Applicants who meet the eligibility requirements shall be provided with a maximum flat tax credit in the amount of four hundred dollars (\$400.00) per tax year, provided, in no event, shall the total amount of the local tax relief any applicant receives from all available programs exceed seventy-five percent (75%) of the real property taxes assessed against the applicant. The Town Council may change the amount of such flat tax credit annually. Regardless of the number of eligible owners of a property, no real property shall be eligible for more than one tax credit as provided hereunder.

2.) The flat tax credit provided for in this Ordinance shall be prorated, however, according to the period of residency as follows:

Period of Residency	Percentage of Tax Credits to be applied
1-5 years	50%
6 or more years	100%

3.) The total tax relief of property tax revenue that may be granted by the Town of Prospect pursuant to the provisions of this Ordinance shall not exceed an amount equal to five percent (5%) of the total real property tax assessed in the Town of Prospect in the preceding tax year.

4.) In any case where the title to real property is recorded in the name of a taxpayer or in the name of his or her spouse, who is eligible for tax relief hereunder, and in the name of any other persons, the tax relief under this article shall be prorated to allow a tax credit equivalent to the financial share in the property of such taxpayer or spouse, and the persons not otherwise eligible for tax relief shall not receive any tax credit.

5.) Only one tax credit, as heretofore set forth, shall be allowed for each parcel of land eligible for the tax relief under this Ordinance.

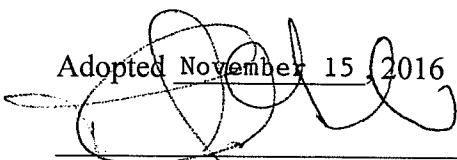

6.) In the event the real property of a qualified applicant is sold, assigned, granted, or conveyed during the fiscal year when a credit is applicable, regardless of whether such transfer, assignment, grant or conveyance was voluntary or involuntary, the amount of the tax credit shall be prorated by the office of the Tax Assessor.

7.) Additional Benefits

Tax relief pursuant to this article shall not disqualify an eligible taxpayer from any other benefits to which he or she may be entitled by law.

Sec. 7. Complaints, Warning Notice.

(a) Any person may file a written complaint of violation of this ordinance with the Anti-Blight Commission for review. If it appears to the Anti-Blight Commission that a violation of this ordinance exists, the Anti-Blight Commission shall forward a Warning Notice to the owner/occupant and a copy of such notice to each individual or entity with a recorded lien on the real property at the time such determination has been made.

(b) Such a Warning Notice from the Anti-Blight Commission shall be issued prior to issuing a Citation.

(c) Such Warning Notice shall:

(1) Provide a description of the real estate sufficient for identification, and specify the violation that is alleged to exist and the remedial action required;

(2) Provide a period of not more than thirty (30) days for the performance of any act required; however, the Anti-Blight Commission may allow for a longer period for abatement depending on the nature of the violation. Requests for extension of the time period established for abatement shall be submitted in writing to the Anti-Blight Commission. Approval of an extension request shall require a majority vote of the Anti-Blight Commission;

(3) State that if the required remedial actions are not completed with the time frame in (2) above, the amount of civil penalties that may be imposed for noncompliance shall apply to each violation in the amount of twenty five dollars (\$25) per day for days 1-30, then increase to fifty dollars (\$50.00) for days 31- 60, then increase to one hundred (\$100.00) dollars per day for each day that the violation continues beyond sixty days from the date of the notice;

(4) State that if the required remedial actions are not completed within the time frame in (2) above, the Town may remediate the property and assess the costs against the property owner in accordance with Sections 16 and 18 of this ordinance;

TOWN OF PROSPECT, CONNECTICUT – BLIGHT ORDINANCE

(5) State that in the process of remediation, the Town may remove and dispose of items constituting and/or contributing to the blighted condition of the property; and

(d) Delivery of a Warning Notice to the owner/occupant and the copy to any lien holders shall be by the following methods:

(1) By personal delivery to the owner/occupant; or

(2) By certified mail, return receipt requested, addressed to the owner/occupant at his last known address with postage prepaid thereon. Should Warning Notice served via certified mail be refused, it may be resent by regular United States first class mail.

(3) By first class mail to any lien holder addressed to such lien holder's current or last-known address; however, the failure to send a copy of the notice to any lien holder shall not relieve the owner/occupant from remediating the violation(s) or from paying any civil penalties.

Sec. 8. Enforcement by Citation.

(a) If the corrective actions specified in the Warning Notice are not taken within thirty (30) days of the date that the Warning Notice is personally delivered or mailed unless the Anti Blight Commission receives information sufficient to determine that no violation exists or that the violation has been corrected, the Anti-Blight Commission shall issue a written Citation to the owner/occupant, with a copy to any lien holder; however, the failure to send a copy to any lien holder shall not relieve the owner/occupant from remediating the violation(s) or from paying any civil penalties.

(b) A Citation shall be in writing and include:

(1) A description of the real estate sufficient for identification, specifying the violation that is alleged to exist and the remedial action required;

TOWN OF PROSPECT, CONNECTICUT – BLIGHT ORDINANCE

(3) The amount of the civil penalties due for noncompliance and a statement that the owner/occupant has ten 10 days from receipt of the Citation within which to make uncontested payment;

(4) Notice that it is the owner/occupant's obligation to inform the Anti-Blight Commission in writing that the violation has been brought into compliance;

(5) A statement that the owner/occupant may contest his/her/its liability and request a hearing before a Citation Hearing Officer in accordance with Section 10 of this ordinance; and

(6) A statement that if the owner/occupant does not pay the civil penalties or request a hearing, an assessment and judgment shall be entered against such owner/occupant.

(c) The Citation shall be delivered to the owner/occupant, and a copy to any lien holder, in the same manner as set forth in Section 7 (d) above.

Sec. 9. Uncontested Payment Period

Uncontested payment to the Town of Prospect of the civil penalties specified in the Citation shall be allowed for a period of ten (10) calendar days from receipt of the Citation. If the Citation was sent by regular mail as set forth in Section 7 (d)(2) above, the day of receipt of the Citation shall be deemed to be four (4) days after the date of its mailing.

Such payment shall not preclude the Town from pursuing any and all options for addressing the blighted condition, including but not limited to remediation under Section 16 hereof

Sec. 10. Notice of Violation and Hearing

(a) If uncontested payment of the civil penalties specified in the Citation is not made within the ten (10) day period set forth in Section 9 above, at any time within twelve (12) months from the expiration of the 10-day period, the Anti-Blight Commission shall send notice to the person(s) cited, informing such person:

(1) Of the allegations against him/her/it and the amount of the civil penalties, costs, or fees due;

(2) That the cited person may contest his/her/its liability before a Citation Hearing

Officer by delivering, in person or by mail, within ten (10) days of the date of the notice (the date of delivery if hand delivered or the date of mailing if mailed), a written request for a hearing;

TOWN OF PROSPECT, CONNECTICUT – BLIGHT ORDINANCE

(3) That filing a request for a hearing shall cause the daily accrual of civil penalties to cease from the date such filing is hand-delivered or mailed to the Anti-Blight Commission until the date the hearing officer renders a decision unless, during such period, the violation of this ordinance is expanded or increased.

(4) That if the cited person does not request such a hearing, an assessment and judgment shall be entered against such person; and

(5) That such judgment may issue without further notice.

(b) The Notice shall be delivered to the owner/occupant, and a copy to any lien holder, in the same manner as set forth in Section 7 (d) above.

Sec. 11. Admission of Liability and Payment of Civil Penalty

Any cited person who wishes to admit liability without requesting a hearing may pay the full amount of the civil penalties admitted to in person or by mail to the Town of Prospect. Such payment shall be inadmissible in any proceeding, civil or criminal, to establish the conduct of such person or other person making the payment. Such payment shall not preclude the Town from pursuing any and all options for addressing the blighted condition, including but not limited to remediation under Section 16 hereof.

Any person who does not deliver or postmark written request for a hearing within ten (10) days of the date of the notice described in Section 10 above (the date of delivery if hand delivered or the date of mailing if mailed) shall be deemed to have admitted liability, and the Anti-Blight Commission or its designee shall certify such person's failure to respond to the Citation Hearing Officer. The Citation Hearing Officer shall thereupon enter and assess the civil penalties provided for by this ordinance and shall follow the procedures set forth in Section 14 of this ordinance.

Sec. 12. Hearing.

(a) An owner/occupant may request a hearing after receiving a Citation or within ten (10) days of the date of the notice described in Section 10 above. Said request shall be made in writing to the following: Town of Prospect Anti-Blight Commission, 36 Center St., Prospect, CT, 06712.

(b) Any person who requests a hearing shall be given written notice of the date, time and place for a hearing to be held not less than fifteen (15) days nor more than thirty (30) calendar days from the date of the notice of hearing. The Citation Hearing Officer shall

TOWN OF PROSPECT, CONNECTICUT – BLIGHT ORDINANCE

grant, upon good cause shown, any reasonable request by any interested party for a postponement or continuance. An original or certified copy of the Citation shall be filed and retained by the Anti-Blight Commission and shall be deemed to be a business record within the scope of Connecticut General Statutes, Section 52-180 and evidence of the facts contained therein. Upon request of the person appealing the Citation, the presence of a member of the Anti-Blight Commission shall be required at the hearing. A person wishing to contest his/her/its liability shall appear at the hearing and may present evidence in his/her/its behalf and may appear with an attorney. A designated municipal official, other than the Citation Hearing Officer, may present evidence on behalf of the municipality. If the person who received the Citation fails to appear, the Citation Hearing Officer may enter an assessment by default against him/her/it or her upon a finding of proper notice and liability under the applicable provision(s) of this ordinance. The Citation Hearing Officer may accept written information by mail from the person who received the Citation and may determine thereby that the appearance of such person is unnecessary. The Citation Hearing Officer shall conduct the hearing in the order and form and with such methods of proof, as he/she deems fair and appropriate.

The rules regarding the admissibility of evidence shall not be strictly applied, but all testimony shall be given under oath or affirmation.

(c) Pending the hearing before a Citation Hearing Officer, no further enforcement activity as contemplated by Sections 16 and 18 shall occur until either a hearing is held or the Citation Hearing Officer assesses civil penalties or until the petitioner fails to appear for a scheduled hearing and the Citation Hearing Officer assesses civil penalties.

Sec. 13. Decision.

The Citation Hearing Officer shall announce the decision at the end of the hearing. If the Citation Hearing Officer determines that the person who received the citation is not liable, the Citation Hearing Officer shall dismiss the matter and enter that determination in writing accordingly. If the Citation Hearing Officer determines that the person is liable for the violation, he shall forthwith enter and assess the civil penalties against such person as provided by this ordinance, which penalties shall be immediately due and payable. The amount thereof shall be stated by the hearing officer in his/her decision.

If the Citation Hearing Officer determines that the person who received the citation is liable for the violation, such person shall have 30 days from the date of the hearing within which to correct the violation before the Town may take further action to correct the blighted condition including but not limited to remediation under Section 16 hereof. If, however, the person found liable for the violation did not attend the hearing or has previously been found liable for the same or similar blighted condition, the Town may proceed immediately with further action to correct the violation.

TOWN OF PROSPECT, CONNECTICUT – BLIGHT ORDINANCE

Sec. 14. Pursuit of Assessment and Judgment

If such assessment is not paid on the date of its entry, the Citation Hearing Officer shall send by first class mail a notice of the assessment to the person found liable and shall file, not less than thirty (30) days nor more than twelve (12) months after such mailing, a certified copy of the Notice of Assessment with the Clerk of a Superior Court facility designated by the Chief Court Administrator together with the required entry fee. The certified copy of the Notice of Assessment shall constitute a record of assessment. Within such twelve (12) month period, assessments against the same person may be accrued and filed as one record of assessment. The Clerk shall enter judgment, in the amount of such record of assessment and requisite court costs, against such person in favor of the municipality. Notwithstanding any provision of the Connecticut General Statutes, the Hearing Officer's assessment, when so entered as a judgment, shall have the effect of a civil money judgment and a levy of execution on such judgment may issue without further notice to such person.

Sec. 15. Appeal of Assessment

A person against whom an assessment has been entered pursuant to this ordinance is entitled to judicial review by way of appeal. An appeal shall be instituted within thirty (30) days of the mailing of notice of such assessment by filing a petition to reopen assessment, together with an entry fee in an amount equal to the entry fee for a small claims case pursuant to Connecticut General Statutes, Section 52-259, at a Superior Court facility designated by the Chief Court Administrator, which shall entitle such person to a hearing in accordance with the rules of the Judges of the Superior Court.

Sec. 16. Enforcement by Town Remediation

When an owner/occupant has been found liable for a violation of this ordinance through his/her/its failure to timely seek a hearing to contest liability before a Citation Hearing Officer or due to the determination of the owner/occupant's liability by the Citation Hearing Officer, or when an owner/occupant has failed to contest liability or admitted liability through payment of civil penalties pursuant to Sections 9 and 11 hereof, respectively, the Anti-Blight Commission, subject to the approval of the Town Council, may authorize a remediation company or the Public Works Department to enter the property during reasonable hours for the purpose of remediating the blighted conditions. In performing such remediation, however, the Town and/or its designated agents may not enter any dwelling, house or structure on such property without the written permission of the owner and any occupants.

Sec. 17. Appointment of Citation Hearing Officers.

TOWN OF PROSPECT, CONNECTICUT – BLIGHT ORDINANCE

The Mayor shall appoint three Town of Prospect residents to serve as Citation Hearing Officers. Although the Mayor may ask the Town Council to recommend candidates, the Mayor shall not be required to select from among the recommended candidates. Such officers shall serve staggered terms of three (3) years each. No member of the Anti-Blight Commission, zoning enforcement officer, police officer, building inspector or employee of the Town may be appointed as a Citation Hearing Officer under this ordinance.

Sec. 18. Penalties for offenses; lien.

(a) The owner/occupant of premises where a violation of any of the provisions of this ordinance shall exist or who shall maintain any building or premises in which such violations exist may:

(1) Be assessed civil penalties of not more than one hundred dollars (\$100.00) for each day that a violation continues after a Warning Notice described in Section 7 is given to the owner/occupant; and/or

(2) Be required to abate the violation at the owner/occupant's expense; and or

(3) Be subject to the Town's remediation of the blighted condition(s) and assessing the costs of said remediation against the subject property by levying a lien on the subject real estate.

(b) Any unpaid civil penalty imposed pursuant to this ordinance, shall constitute a lien upon the real estate against which the civil penalty was imposed from the date of such civil penalty. Each such lien may be continued, recorded and released in the manner provided by the general statutes for continuing, recording and releasing property tax liens. Each such lien shall take precedence over all other liens and encumbrances filed after July 1, 1997, except for taxes. Each such lien may be enforced in the same manner as property tax liens, including foreclosure of the real property.

(c) If the Town remediates blighted conditions on property pursuant to Section 16 above, the costs of such remediation may be assessed against the property in the form of a lien which shall take precedence over any other encumbrance except municipal tax assessments on such property. The Town shall, not later than the date thirty (30) days after the date on which such work has ceased, file a certificate of such lien and give notice to the owner of the property in the same manner as provided in Section 49-34 of the Connecticut General Statutes. Simultaneous with the filing, the Town shall make reasonable efforts to mail a copy of the certificate by first class mail to any recorded lien holder's current or last-known address.

(d) In addition to all other remedies and any civil penalties imposed herein, the provisions of this ordinance may be enforced by injunctive proceedings in Superior Court. The Town may recover from such owner/occupant or other responsible person any and all costs and fees, including reasonable attorneys' fees, expended by the Town in enforcing the provisions of this ordinance.

Sec. 19. Special consideration.

(a) Notwithstanding anything herein to the contrary, in evaluating whether to issue a Warning Notice, Citation, or Notice of Violation and Hearing, the Anti-Blight Commission may give special consideration to individuals who are elderly, disabled, hospitalized, or on active military duty and who demonstrate that the violation results from an inability to maintain an owner-occupied residence and no person with that ability resides therein.

(b) Such special consideration shall be limited to the reduction or elimination of civil penalties and/or an agreement that the Town or its agents may perform the necessary work and place a lien against the premises for the cost thereof in accordance with the provisions of this ordinance.

Sec. 20. Severability.

In the event that any part or portion of this ordinance is declared invalid for any reason, all the other provisions of this ordinance shall remain in full force and effect.

Sec. 21. Construal of terms and provisions.

(a) Where terms are specifically defined or the meanings of such terms are clearly indicated by their context, that meaning is to be used in the interpretation of this ordinance.

(b) Where terms are not specifically defined and such terms are defined in the Charter and Town Ordinances, such terms shall have the same meaning for the interpretation and enforcement of this ordinance.

(c) Where terms are not specifically defined in this ordinance, they shall have their ordinarily accepted meaning or such meaning as the context may imply.

(d) The provisions of this ordinance shall not be construed to prevent the enforcement of other codes, ordinances or regulations of the Town.

(e) In any case where a provision of this ordinance is found to be in conflict with a provision of any zoning, building, fire, safety or health ordinance, regulation or other provision of the Town Charter and/or Town Ordinances or the State of Connecticut, the provision which establishes the higher standard for the promotion and protection of the health and safety of the people of the Prospect shall prevail.
