### **New Business:**

**Discuss and review proposed Operational Cost Fee:** Vice Chairman Brown states the Administrator did review the proposed Operational Costs under the Administrators report, however he requests the costs be looked over again. Discussion followed regarding the reasons for an increase in costs from last year. Vice Chairman Brown states the proposed costs look appropriate but requests the Administrator double check everything one more time prior to the Public Hearing being held to ensure all costs are included. The total Proposed Operational Costs for 2014-2015 is \$13,556.84.

**Set a date for Public Hearing to Establish Sewer User Charges for 2014-2015:** Vice Chairman Brown states as was discussed at last months meeting the Public Hearing to establish Sewer User Charges for 2014-2015 will be held on August 25<sup>th</sup>, 2015 at 6:00 p.m. in the Lower Level Conference Room of the Prospect Town Hall. He adds the regular meeting of the WPCA will immediately follow the Hearing. He verifies with the Administrator that there will be enough time to publish all necessary notices and requests a motion to approve the meeting date. **Motion by L. Booth** to approve scheduling the Public Hearing for August 25<sup>th</sup>, 2015 at 6:00 p.m. in the Lower Level Conference Room of the Prospect Town Hall, **seconded by C. Montagano. Unanimous.**

### **Old Business:**

**Aria Flow Meter Status:** Vice Chairman Brown states all updates were provided under the "Administrator's Report".

**Sewer Use Account and Capital Improvement Account Reconciliation:** There was no business to report.

**Sewer Use Billing Status:** Vice Chairman Brown states this item was previously discussed under "New Business".

**Sewer System Permit Applications:** There were no applications to review.

**Toll Brothers Sewer Construction Update:** A progress report and maps for Phases 4 and 5 as well as paperwork and a DVD for the 8" Sanitary Sewer was received from Gene McCarthy dated July 20, 2015. Vice Chairman Brown reads the report into the record and reviewed the included maps stating the units in red are completed and hooked to sewer and the units in yellow are hooked to sewer but the buildings are not complete. With regards to Phase 5 the report states all utilities have been installed and an additional map was included detailing those units under construction and those with just footings and

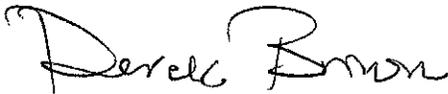

foundations. The DVD contains footage of the 8" Sanitary Sewer and the report indicated after the video was completed the contractor was requested to repair one lateral with a rolled rubber joint located on Cherry Circle. Vice Chairman Brown states he will take all of the reports with him for further review.
