Mr. Jacovino stated that his septic system is on the left side of his house, there is a large existing patio off the rear of the house, and that there is a pond in the front of the house. Mr. Jacovino stated that his house needed to be set very far on his lot as the pond located in the front of his house serves as the retention pond for all of the stormwater drainage for Trotter's Way. Mr. Jacovino stated that the property behind his is Town of Prospect owned Open Space. Chairman Byrne asked for comments from the public. No comments from the public. The

Chairman read letters received from Mark DeBiase of 23 Trotters Way and Brian & Mary Christiano of 19 Trotters Way both encouraging the Board to approve the variance requested by Mr. Jacovino. Buoniauto to close the public hearing at 7:19 p.m. on Application 04-2015 of Vincent Jacovino, 21 Trotters Way for a 15-foot variance of Zoning Regulations Section 4.9.2.1 to place an in-ground pool 5-feet off the rear property line. **Unanimous.**

7:20 p.m. Application #05-2015 Jack Geary, acting on behalf of Arthur Tyrrell, 43 Highland Drive – Application for a 6-foot variance of Section 3.2.4.1 to place a front porch 44-feet from the front property line. Mr. Geary provided the “proof of mailing” receipts notifying the abutting property owners of the public hearing on this application. Mr. Geary stated that the home originally had a front stoop that had deteriorated over time. Mr. Geary reviewed a sketch of the proposed 8’ x 20’ covered front porch and stated that the proposed porch will have steps on the right side leading to the driveway. Mr. Geary stated that the cover of the porch would reduce snow and ice build up and allow the homeowners safer access to their driveway and garage. Application 04-2015 Motion by C. Montagno, seconded by M. Buoniauto to approve Application 04-2015 as presented. *Discussion:* N.
