Town of Prospect - CCM Electricity Supply RFP

Brendan Kearney <bkearney@titanenergyne.com>

Tue 1/11/2022 10:38 AM

To: Town of Prospect <info@townofprospect.org>

Good morning Mayor Chatfield,

We (CCM/Titan) have completed the electricity supply RFP, the results of which are attached. I would recommend the 32-month agreement price of \$0.09575/kWh. This price will produce a full-cent savings versus Eversource's current standard generation charge of \$0.10627/kWh and should stay competitive for the entirety of the contract term as the world wide energy crunch will impact the next several years of prices.

Thanks,

Brendan Kearney
